

AKSHITA SHARMA

ENTRY LEVEL FULL STACK DEVELOPER

Mohali, Punjab, India | akshitaa0304@gmail.com | 7876319312

PROFILE

Full Stack Developer with completed training in React Frontend Development and Backend Development. Strong hands-on experience in building responsive, user-friendly web applications and converting Figma designs into production-ready interfaces. Familiar with backend fundamentals including Node.js, Express.js, MongoDB, REST APIs, JWT Authentication, and Stripe integration. Actively seeking entry-level Full Stack opportunities.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, TypeScript, React.js, Tailwind CSS, Material-UI, Responsive Design

Backend: Node.js, Express.js, MongoDB, Stripe, JWT Authentication

Other: GitHub

PROJECTS

Figma to Responsive Web Projects:

Converted Figma designs into responsive, pixel-perfect websites for ConnectYou, Flow, and BabySteps using React and Tailwind CSS.

Trade E-Commerce Platform:

Clone of a big e-commerce website; worked with senior developers and independently developed 6–8 responsive pages using React and reusable components.

Official Company Website Service Pages:

Built and integrated service pages during training with backend integration.

Portfolio & Mini Projects:

Built personal portfolio and mini projects while learning JavaScript.
